Information will be sent home soon. There will be two dates. This event is hosted through the WVU extension office. The students get to "shop" for farmers market type items. No money will be needed.

Field Day

Mr. Shoe

He will be planning the field day. The date will be April 17, day before spring break. Parent volunteers needed for the day. Two hours in morning for younger student, and 2 hours in afternoon for older students. Stations will be inside and outside. WVU volunteers will be asked to participate too. Looking for a larger equipment donation for a "memorable" station ie dunk tank. Large cones and tug of war rope also needed. Cara will contact Barb Solly regarding equipment and Mon Gen for possible sunscreen station. Huntington Bank will sponsor water break station. ## Announcements

Next meeting will be in April. Date/time will be announced.

## Parent Questions/Comments

Rotating Classes in 5<sup>th</sup> grade- no decision is finalized. But looking like self-contained, with compacted math. Parents can email Mr. Gaither with questions/comments.

Parents can write donation checks to school for specific line items ie book fair, field trips, teacher request and that money will be deposited to the correct line item in the budget.

Car Line- Cones at the street and the top of the lines. Mrs. Kane sent a Dojo for parents to be aware and alert. Consistency with cone placement and hand gestures will be discussed with the workers. Mr. Gaither and Mrs. Kane will request use of stop sign for the street.

Would there be an options for a Christmas concert at school/ holiday music program? Kindergarten experience was terrible at BN. Need to reevaluate the participation at BN. Too many people, not enough space. Still participate in BN program offerings, but no singing. Possible read aloud stations hosted by teachers.
